BOWEN BROTHERS HERD REDUCTION SALE

Standard Guarantee

OF

AMERICAN SHORTHORN BREEDERS ASSOCIATION

Proper care must be given by purchaser to protect breeding qualities and health of guaranteed animals.

All bulls are guaranteed breeders, provided they are not allowed to serve when under 14 months of age, or not allowed to run with the herd when under 20 months of age. In case of failure of a bull to be a breeder notice shall be given to the seller within six months of date of purchase, or by the time the bull is 20 months of age, if purchased under 14 months of age.

With the exception of heifers sold under 14 months of age, all females are guaranteed breeders. Heifers under two years of age shall not be served by a heavy or old bull. Cows or heifers sold as bred, or safe in calf, not proving to be in calf must be reported to the seller within three months after date of sale. Females over 14 months of age sold open, not settling within six months after date of sale, shall be promptly reported to the seller.

When an animal fails to comply with the above guarantee the seller has the option of substituting an animal of equal value to the satisfaction of the purchaser, or of having the animal returned for a trial for a period not to exceed six months. The expense of freight in such case is to be paid by the seller. If the animal is then proved to be a breeder beyond doubt it shall be returned to the purchaser at his expense. In case of dispute the return of the full purchase price, without interest, to the buyer will be considered full settlement and satisfaction of all claims. No charge for feed or maintenance shall be made by either buyer or seller. Salvage shall go to the seller. It shall be understood that the same guarantee given for the first animal shall likewise apply to any animal later substituted.

All animals are sold to comply with the laws regulating Tuberculosis and Bang's disease of the state or county into which they may be shipped.

Certificates of registry and transfers will be furnished with each animal sold. A signed pedigree application for unborn calves should be furnished with bred females, showing names and record numbers of sire and dam, as well as service date.

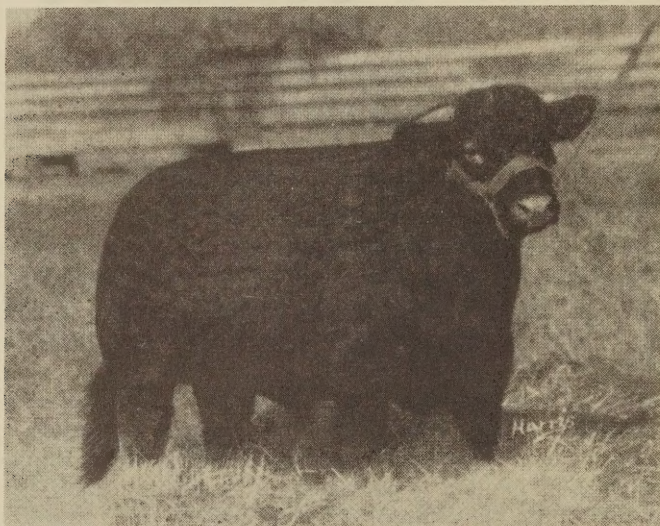

Shipment will be made as soon as possible after the close of the sale, but at purchaser's risk of loss or injury after animal is bid off. Where cattle are sold at private treaty the above terms should apply as well as for sale at auction.

All animals sold in this sale will be backed by the above Standard Guarantee.

As a safeguard to prospective buyers, every animal has successfully passed a clean abortion blood test within 30 days prior to the sale, or will have Certificates of Bang's Calfhood Vaccination, and those that are not from Accredited herds have passed a clean Tuberculin test within the same period. Health certificates will be provided with each lot sold.

Proof of the outstanding ability of Bowen Bros. Shorthorns to get the job done has been seen in their performance in the hands of their many customers. The record of Bowen Bros. bred steers that have been shown by Oklahoma, Kansas and Nebraska 4-H and FFA members has been most outstanding. Purebred and commercial Shorthorn breeders have also used their well bred, modern typy cattle with success. Only a few years ago the reserve champion female at the Kansas State Show and Sale had been bred in this herd and was purchased by Sni-A-Bar Farms, Grain Valley, Missouri.

Bowen Bros. are offering customers some of their very top cattle in this sale. Included will be 3 of their good herd bulls. Shorthorn and Polled Shorthorn breeding alike are represented in this sale and only because of pasture shortage are these cattle being offered.

I would like to call to the attention of 4-H Club and FFA members the unusually fine lot of short-legged, blocky heifer calves, 22 of them in all that are being offered in this sale. There will also be a number of top steer prospects offered. If you would like to own some good doing Shorthorns with bred-in performance, you will want to make definite plans to attend this sale on Saturday, June 11.
